

Certificate

The Board of Management is pleased to award this certificate of

BOSCH Certified Software Designer (PE-SWD) to

Peter Laszlo Juhasz

XC-AD/EYC2-Bp

He has actively participated in all training sessions, has given good evidence acting as a software designer and passed all examinations successfully.

We look forward to his contributions in improving the software design of our BOSCH products and demonstrating his passion for excellent software design.

Congratulations

Robert Bosch GmbH

Stuttgart, 21.05.2021
